10. CONFLICT OF INTEREST GUIDELINES

10.1. General

A member of Education Council holds a position of trust. As such there is an obligation on all members to avoid situations of conflict of interest. Each member, regardless of appointment, has a responsibility first and foremost to the welfare of the institution and must function primarily as a member of the Council, not as a member of any particular constituency.

10.2. Conflict of Interest Defined

- 10.2.1 The term "Related person(s)" is defined as a spouse, child, parent, or sibling of the member.
- 10.2.2 A conflict of interest arises when a Council member's private interests supersedes or competes with that member's dedication to the interests of the institution. This could arise

from a real, potential or an apparent conflict of interest for a Council member or related persons and may be financial or otherwise. For this purpose:

- a) A Real Conflict of Interest occurs when a council member exercises official power or performs an official duty or function and at the same time, knows that in the performance of this duty or function or in the exercise of power there is the opportunity to further a private interest.
- b) A Potential Conflict of Interest occurs when there exists some private interest that could influence the performance of a member's duty or function or in the exercise of power provided that the member has not yet exercised that duty or function.
- c) An Apparent Conflict of Interest exists when there is a reasonable inference, which reasonably well-informed persons could properly have, that a Real Conflict of Interest exists on the part of the member.

10.3. Declaration of Conflict

10.3.1 Council members must arrange their private affairs and conduct themselves in a manner to avoid a conflict of interest. In cases where conflict cannot be avoided, a Council member has an obligation to declare a conflict of interest prior to discussion or decision of an issue. Upon declaration of a conflict the person recording the events of the meeting should duly note the declaration and the Council member must:

- a) In an in-camera session or committee meeting, declare themselves absent from the proceedings during discussion or voting on that particular matter, contract or arrangement;
- b) In a public session, refrain from discussing or voting on that particular matter, contract or arrangement.

10.3.2 Where a Council member is unsure of whether they are in conflict, that member should raise the perceived potential conflict with the Council, and the Council should determine by vote whether or not a conflict of interest exists. In case of a tie vote, no conflict of interest is determined to exist. The member perceived to be in conflict should refrain from participating as indicated in 10.3.1.

10.3.3 Where a conflict of interest is discovered after the consideration of a matter, the conflict must be declared to the Council and appropriately recorded at first opportunity. If the Council determines that involvement of said member influenced the decision of the matter, the Council shall re-examine the matter and may rescind, vary or confirm its decision.

10.3.4 Any Council member who perceives another member to be in conflict of interest in a matter under consideration must identify the perceived conflict to the Council at the first opportunity. The Council should determine by vote whether or not a conflict of interest exists. A member perceived to be in conflict should refrain from participating as indicated in 10.3.1.

10.3.5 At the discretion of the Council, the Council may invite the member in conflict to state their position on the issue prior to declaring themselves absent.

11. BYLAW CHANGES

- 11.1 A new bylaw may be passed or existing Bylaws amended or repealed by resolution of the Council as provided for in this bylaw.
- 11.2 Every bylaw adopted by the Council shall be presented to the Council as a notice of motion and shall then be debated and voted upon at the next meeting of the Council.
- 11.3 Adoption of/or changes to the Bylaws of the Council shall require at least a two-thirds majority vote of the Council members.
- 11.4 Once approved the amended Bylaws are signed by the Education Council Chair and distributed by the Recording Secretary to the Board of Governors and to the Ministry of Advanced Education, posted to the College website and redistributed to the membership to update their binders.
