

AUG EMERGENCY FUND FOR TECHNOLOGY ACCESS

As part of the Ministry of Advanced Education’s response to COVID-19, students approved for the Adult Upgrading Grant (AUG) who are experiencing emergency financial hardship can apply to receive AUG Emergency Funds for the purchase of software, hardware or access to the internet to support their education. This one-time fund is limited and available until March 31, 2021.

Student Name: _____

Campus: _____ Student # _____

I am applying for *reimbursement* for:

Hardware (Examples: desktop computer/screen, laptop, mouse, or keyboard)

Software (Examples: Microsoft Office products – Word, Excel)

Internet Access (Examples: connection, monthly bill)

Please explain why you are experiencing emergency financial hardship and how you will use this benefit to support your education.

Note: You may submit this form for pre-approval; however, receipts for software / hardware are required for reimbursement. You may submit a receipt or quote for internet connection.

I have attached receipts and/or quotes: Yes No

Declaration:

1. I certify that all information provided on this form is complete and accurate.
2. I understand that all information provided in this form is subject to verification.
